Keynote Speaker

Chris Boos

As Managing Director of Almato AI and architect behind the AI platform HIRO, Chris Boos co-leads Almato AI together with Christian Sauter. His focus is to drive the development and integration of AI technologies. Chris and his team excel in researching, developing, deploying, and scaling knowledge automation solutions, significantly enhancing efficiency across various sectors.

Prior to his career at Almato, Chris founded arago GmbH, which laid the groundwork in Germany's AI landscape for decades. His contributions have been fundamental in the field of AI, and his expertise was also recognized through his roles as a former member of the Digital Council of the Federal Government of Germany under Angela Merkel, as the current chairman of the jury of the German AI Award, celebrating innovation in Artificial Intelligence, and in other roles in governmental and corporate organizations, as well as foundations with a focus on education.
